

Welcome back to the Summer Term

Dear parents/carers,

I hope you all had a restful Easter break and welcome to our very first remote summer term!

We've all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's ok if you and your child feel wobbly and worried at the moment. We're here for you every step of the way as we figure this all out together. Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know by contacting your child's class teacher via Tapestry (EYFS); the Seesaw app for Key Stage 1 and 2. Alternatively you can contact the school on the following email addresses admin@stockwell.hull.sch.uk or at help@stockwell.hull.sch.uk. The school office is always open through the school week to also take your calls.

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. So, we're carrying on with remote learning via the apps above and school provision for children of key workers.

But just because we're not all in the same building, doesn't mean we can't continue to try to help children make progress at home and have some fun together! Your children will have lots of activities they can get stuck into over the summer term – so keep a close eye on the school website, Tapestry and Seesaw.

We also love seeing the children's fantastic learning at home – please keep sending pictures of their work in to school via email as we would like to showcase it in due course.

We can't say yet when we'll be able to open the school fully, but rest assured that we'll continue doing our utmost to keep your child learning and our school community connected.

Let's set our Stockwell Spirit loose for the summer term ahead!

Best wishes,

Mr C J Coulter
