

Parents / Carers of Year 6

Tuesday 19th May 2020

Dear Parents / Carers,

You will have no doubt heard the government announcement that schools could possibly begin to open for certain year groups from the 1st June?

At Stockwell, we are in the process of assessing all the risks that opening the school to more staff and pupils would bring. It is a serious matter. We want to do a proper job of it.

At the moment we are initially preparing for the opening of places for Reception class children and then Year 1 children. We are continuously developing plans, and risk assessments to see what opening classes will 'look like'. It will take time to get a solution that will allow us to open these classes.

The government have suggested that we open to Year 6 children too at this point.

This will not be on 1st June at our school.

Once the first set of classes are established and settled we will plan and consider how we will support the Year 6 children to return. At this point it looks more likely that Year 6 children will do limited days or half days to accommodate their transition to secondary school and not full weeks. This is in line with other HCAT and Hull schools.

I am sure that you have been contacted by your child's secondary school, and as you will know they do not intend for pupils to have a 'physical' visit to their new school. We will do everything we can to help support your child through this transition period,

In the coming weeks teachers will be contacting you by phone, to gather your thoughts about sending your children back to school during this world - wide Covid 19 pandemic.

Unfortunately, I cannot give you a date that your child will be given the opportunity to come back to school, but we do plan to make sure that there are opportunities for us to say good bye to our Year 6 and offer any support they may need, as they move on.

As you know, this support is ongoing with your child's class teacher calling for weekly check ins as well as the work that children are set on Seesaw. Please keep this up.

When children return to class, it will not be to the class set up we remember. This is due to the strict risk assessments that we must put in place and adhere to keep your children, our staff and you and your wider families safe.

I intend to write to you again shortly with an update of our plans to get our lovely Year 6 children back into school.

Take care and keep safe.

Yours sincerely,

Mr C J Coulter
