

Dear Parents / Carers,

I hope that you are all keeping safe and well and that you are coping through these, still, very difficult and frustrating times?

You will no doubt be watching the news about the government plans to re-look at social distancing and opening up shops and businesses and wondering what this may mean for schools?

We have four weeks left of school, before we finish for the summer holidays - whatever that may look like?

I promise you we will keep you up-to date with any news that affects you and your children and their return to school.

If it was up to me I'd have them all back tomorrow. We miss them so much!

As it looks now, we will potentially be back in September when I hope we can welcome all children back. That depends on the government and the scientists and that decision is not mine to make. Fingers crossed, this craziness will end at some point so all our lives can return to the good old days of classes being full and the playground full of children, playing together!

Currently, we only have small 'Bubbles' or classes of children of EYFS and Year 1, as well as the children of Key Workers.

We will be welcoming back many of our Year 6 pupils this week, so we can help them with their move to their secondary schools and so we can also say good bye to them. It will be both lovely to see them and very sad as we prepare to wish them a fond farewell.

Today the government announced the relaxation of the 2m social distancing rule. Just so you know I intend to keep the 2m rule in school, for the rest of the term, to make sure we are doing everything we can to keep everybody in school safe.

I have asked the office to forward an email I received this afternoon with the first indication of what the summer may look like, to support families with activities. Details of what will be available locally have not been shared with me. When they are I will share them with you.

If you have any queries about anything please call the school or email:

and we will get back to you as quickly as possible.

Staff and governors have asked me to extend their best wishes to you and your families and thank you for the amazing job you are doing and have done throughout these dreadful times.

Take care. I'm off to book an appointment at the barbers!

Yours faithfully,

Mr C J Coulter
