

Friday 4<sup>th</sup> September 2020.

Dear Parents / Carers,

It is with the greatest pleasure that I am able to say - welcome back!

Our school staff have waited so long to be able to welcome back our children and their families. We are incredibly excited and can't wait for Monday to come. We have all missed the children so much.

I can assure you that we are ready and that the school is ready to open up again to all our pupils. We have undergone extensive cleaning throughout the whole school throughout the holidays and the classrooms at the moment look amazing.

Things have changed considerably, as you well know and we believe that our Risk Assessment is as robust as it can be.

One change to the Risk Assessment that I have implemented is that there will no longer be a one-way system through the school gates at the Stockwell and Hemswell entrances.

After speaking to many parents last week, I felt it would be better for parents / carers to come onto the school site and leave the site at the entrance of their choice. This is done in a spirit of supporting you and in the belief that you will respect the social distancing rules that all establishments now adhere to.

Therefore, to reiterate, the only entrances to the school site will be from Stockwell Grove and Hemswell Avenue. These can be used for both entering and exiting the school site.

As mentioned in the last letter the car park and pedestrian entrances on Dodswell Grove are now automated and will be locked throughout the day – except for Breakfast Club. You will not be able to use these gates to gain access to the school during the normal school staggered start times. If you are late you will be able to use them after 9.15am.

I have attached the latest government guidance for parents 'What parents and carers need to know about schools in the autumn term', as well as the staggered start times for each year group.

I look forward to Monday and seeing everyone's jolly smiling faces. I can't wait!

Mr C J Coulter  
Headteacher
