Wider Re-opening: Monday 8th March 2021

Dear Parents / Carers,

We're nearly there. Monday starts the next phase of the government's road to recovery and we will be welcoming all children back into school.

It will be a great day.

I would like to thank you all once again for your support, your patience and your understanding during this difficult term. That goes to those families that have attended school and to those families who have been working from home through remote learning.

From Monday 8th March, all children, unless they have received a shielding letter, will return to class. They will be taught in bubbles by their class teacher and adult support.

Please remember that the government guidance states that it is the law for all children to return to school next Monday.

'Local authorities and schools have a range of legal powers to enforce attendance if a child or young person misses school without a valid reason.'
