

    
**Draw a logo competition**

        
We want children to draw a logo for our new service.

     
The service will help children who need help from

      
physiotherapists, occupational therapists, speech therapists and other

  
people.

      
The logo needs to show that people can work together to

      
help children have fun and enjoy life.

        
We want you to draw a picture that tells us how people

    
working together would be good for you.
