

English

Narrative

We are using the book, Man on the Moon (A day in the life of Bob)

We are retelling the story by writing a diary entry as though we are Bob. We will be story mapping and exploring the text using drama and oral rehearsal.

Recount

We will be learning how to write a recount in the first person based on first hand experience.

Art

We will explore pencil drawings within continuous provision.

Learn to colour mix using primary colours and make tones using black and white.

PE

We will be having lessons on hockey and gymnastics this term.

Mastering number.

We will continue to explore the joy of number through practical activities and the use of Rekenreks.. We explore number relationships, such as number bonds, addition and subtraction.

Maths

We will be learning about 2D and 3D shapes.

We will also be moving on to working with numbers to 20. We will learn to recognise and count objects within 20 and we will be using these numbers to complete addition and subtraction.

Year 1 Spring 1 Topic Web

Book Talk

This term we will be looking at -

Poo at the zoo

Augustus' smile

Rainbow Fish

Hare and the Tortoise

Grace

The three little pigs
and the big bad wolf

Geography

We will be looking at changes within living memory so we will be looking back into the past to explore what life was like for our parents and grandparents.

Science

We will be looking and growing this term. What plants need to grow and how to look after them.

We will look at the parts of a plant and grow bulbs and plants in our garden.

Jigsaw

We will be looking at our dreams and goals for the future.
