## World Book Day

Thursday 2nd March 2023

Theme—We Are Readers

Children will be expected to wear school uniform on World Book Day.

Our theme of 'we are readers' will focus on our most enjoyable genres.

There is no need to buy a costume, or wear one that day!

Have a lovely half term and give your children the greatest gift of all—Share a book or two or three with them over half term!

Every child will have brought their book bags home—encourage your children to sit and share their book with you!

We hope you all have a lovely half term and we look forward to seeing you all back in school on  
**Tuesday 21st February 2023!**

## Attendance

The government guidance relating to attendance has changed. The current government guidance is below:

**Attendance at school has been mandatory since Monday 8th March 2021** and the usual rules on attendance will apply, including:

- It is the parents' duty to ensure that their child, of compulsory school age, attends regularly at the school where the child is a registered pupil
- It is the schools' responsibility to record attendance and follow up absence
- Schools have the ability to issue sanctions, including fixed penalty notices, in line with local authorities' codes of conduct

We will now be sending out attendance related letters again. These will be late letters, warning letters and referring continued unauthorised absences to the Local Authority, who will issue fines.

Please make sure that your child attends school regularly.

**This weeks attendance is 93.2% / The year to dates attendance is 90.9%**

### **Help Us Achieve The National Average of 96% Attendance!**

Encouraging regular school attendance is one of the most powerful ways you can prepare your child for success—both in school and in life. When you make school attendance a priority, you help your child get better grades, develop healthy life habits, avoid dangerous behaviour and have a better chance of graduating from high school.

When pupils are absent for fewer days, their grades and reading skills often improve—even among those students who are struggling in school. Pupils who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to do well at high school, setting them up for a strong future.

But when pupils are absent for an average of just two days of school per month—even when the absences are excused— it can have a negative impact. These absences can affect kids as early as the Foundation Stage.

For example, young primary school pupils who miss an average of just two school days per month often have difficulty keeping up with their peers academically and tend to fall behind in reading.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority.

We have had a number of late pupils arriving this week. Please ensure your child arrives on time for the start of their school day. If your child has an appointment, please provide evidence of the appointment. If evidence is not provided, it will be recorded as an unauthorised absence.

Thank you for your continued support
