

As readers and writers, we will...

- Learn to write a setting description.
- Learn how to write stories.
- Learn how to answer inference questions
- Learn how to summarise what we have read.
- Develop our handwriting and basic skills.

As Historians we will be...

We will have some understanding of ancient civilizations and a conceptual idea of what a civilisation is. We will have an understanding of other Ancient Civilization that we have studied e.g. Ancient Rome.

As scientists we will be...

- Learning how sound is made associating some of them with vibrating.
- Learning what happens to a sound as it travels from its source to our ears.
- Learning the correlation between the volume of a sound and the strength of the vibrations that produced it.
- Learning how sound travels from a source to our ears.
- Learning the correlation between pitch and the object producing a sound

In computing we will...

Learn about E-safety and we will use Purple Mash to learn how to code.

In RE we will...

Looking at belonging to a community and what that means to a person.
Learning about belonging to several different religions

Year 4 Autumn One

As sportspeople we will...

Improve our fitness.
Work on our athletic skills.
Take part in outdoor and adventurous activity challenges both individually and within a team.
Compare our performances with previous ones and demonstrate improvement to achieve our personal best.

As mathematicians we will be learning...

Number - number and place value

- find 1,000 more or less than a given number
- count backwards through 0 to include negative numbers
- recognise the place value of each digit in a four-digit number (1,000s, 100s, 10s, and 1s)
- order and compare numbers beyond 1,000
- identify, represent and estimate numbers using different representations
- round any number to the nearest 10, 100 or 1,000
- read Roman numerals to 100 (I to C) and know that over time, the numeral system changed to include the concept of 0 and place value

Addition and subtraction

- add and subtract numbers with up to 4 digits using the formal written methods of columnar addition and subtraction where appropriate
- estimate and use inverse operations to check answers to a calculation
- solve addition and subtraction two-step problems in contexts.

As artists and designers, we will...

- Learn that some of David Hockney's work depicts landscapes in the local area.
- Learn how colour and texture is a key technique.
- Learn how to use techniques, colours, tools, and effects to represent things seen, remembered, or observed.
- Learn how to mix a wider variety of secondary colours of different tones and shades.
To consider composition when planning a piece of artwork.
